## Chapter 1 by SkylaLS

Sometimes it is hard when the person you love most in the world is the only person you can't touch. When they can't hold you at night, and you can't give them kisses and hugs. When you simple touch their hand, it's agony.

The person I love most in the world is Grayson Young. And he, like the rest of our families, has a gift. Mine is superspeed. I can run a mile in three seconds, and resist the friction. But his is dangerous.

Grayson has the power to create ice with his bare hands.

But it is so dangerous and scary, because he can barely control it. I can't touch him without him having every inch of skin on his hands and arms covered, and even that can be dangerous to touch.

I have already been in the hospital twice with frostbite because I simple wanted to be held by my boyfriend.

It hurts.
